Group life insurance

As a member of the union, you are automatically covered by a group life insurance policy. Insurance is paid out automatically to your next of kin. From 1. January 2008, "next of kin" will be regarded as:

- your spouse,
- a cohabitee who lived with the insured party at the same address and is expecting a child or has already had children with the insured party,
- a cohabitee who lived with the insured party for the two years immediately preceding death,
- the insured party's children,
- the insured party's heirs according to a will or the Danish Inheritance Act.

The payout is regulated by the table below and determined according to your age at the time of death.

Leisure time accident insurance

You are covered as soon as you become a member of the union, unless you have already turned down the option of insurance. The scheme covers fee-paying members of the union, who also pay into the insurance fund.

When does insurance cover start?

Insurance cover starts as soon as you become a member of the union. However, in order to be covered by the insurance, you must continue to pay the union fee.

When does insurance cover end?

Insurance cover ends as soon as you leave or are excluded from the union.

Good cover

Alka is the first insurance company to have abandoned an insurance practice going back 100 years and extended its accident insurance cover. The new definition of an accident will now be: "a sudden event that results in personal injury". Essentially, this new definition means that insurance offers broader cover than before, which in turn improves your level of cover.

The payouts for Leisure Time Accident Insurance 2023:

In the event of death:	DKK
In the event of death resulting from an accident	300.000
For recipients of early retirement benefit, early retirement pensions (over 60) and working members (over 65) and pensioners	150.000
For members under 18 years, without support responsibilities	10.000
In the event of disability:	
If an accident causes a degree of disablement of at least 5%, a disability allowance is paid out. The allowance comprises the same percentage of the disability sum as that established for the degree of disablement. If you require additional information about the insurance policy, please contact your department.
